Dear Mr. Gratz:

### MAYWOOD SITE - FINAL REMEDIAL INVESTIGATION REPORT

The purpose of this letter is to provide revised pages of the subject report. The revisions reflect your comments on November 18, 1992, and may be inserted in the draft final copy of the report (Volume I) which was transmitted to you on October 19, 1992. Volumes 2-4 remain unchanged. Consistent with the Federal Facilities Agreement, Sections XIV and XV, the Department of Energy is not invoking dispute resolution and thus the draft final document with the inserts provided in this transmittal constitutes the final Remedial Investigation report for the Maywood site. By copy of this letter, inserts have also been provided to Tim Bryan and Sue Stoloff of Alliance.

If you have any questions, please contact me at (615) 576-5724.

Sincerely,

A handwritten signature in cursive script that reads "Susan M. Cange".
