Dear Mr. Gratz:

MAYWOOD SITE - CULTURAL RESOURCE SURVEY

As discussed in our telecon on June 16, 1993 DOE is proceeding with the Class IA Cultural Resource Survey for the Maywood site. A contract vehicle is in place to perform this work, and field activities will be initiated in July, 1993. As we agreed, the results of this survey may be submitted as a separate addendum to the feasibility study-environmental impact statement if necessary.

If you have any questions please call me at (615) 576-5724.

Sincerely,

A handwritten signature in cursive script that reads "Susan M. Cange".
