Dear Mr. Gratz:

MAYWOOD SITE - SCHEDULE FOR SUBMITTAL OF FS & PP

The purpose of this letter is to confirm our telephone conversation of April 18 concerning the schedule for submittal of the Feasibility Study and Proposed Plan. As we discussed the comments that we received on the advance copy of the proposed plan on April 18 will be incorporated before sending you the formal submittal. The current schedule is to send you the documents formally by April 22.

I'm hoping for your approval to release the documents no later than May 11 so that we can hold the public meeting in June. If you have any questions please call me at (615) 576-5724.
