RE: Inactivation of NJPDES/DSW Permit No. NJ0054500  
Facility : Maywood Interim Storage Site  
Location: Maywood Borough, Bergen County  
Application Received: 07/19/85

The Department of Environmental Protection and Energy received an application for a New Jersey Pollutant Discharge Elimination System (NJPDES)/(DSW) permit, dated July 7, 1985, for Maywood Interim Storage Site. Based on recent communication with the permittee, and/or with case managers within the Department, it has come to our attention that the permittee has decided not to proceed with the application for a NJPDES/DSW permit. Therefore, the Department intends to withdraw this application, and classify it as inactive in the NJPDES database system. If the applicant wishes to apply for another permit action, a complete application package must be submitted to the Bureau of Permit Management, in accordance with the schedules set forth in N.J.A.C. 7:14A-2.1 et seq. No person(s) shall discharge without a valid NJPDES permit, in accordance with N.J.A.C. 7:14A et seq. If you have any questions please contact Christine Solomon, Bureau of Standard Permitting, at 609-292-4860.

Sincerely,
