Dear Mayor Toronto:

MAYWOOD SITE - JOHN F. KENNEDY PARK, LODI

This letter is being written as a follow-up to our conversation this morning regarding the small amount of thorium residues at the John F. Kennedy Municipal Park. As we discussed, recreational use of the park does not present a risk to members of the community. Children and adults alike, can use the park facilities without any concern of health impacts.

If I can answer additional questions or be of further assistance please call me at (615) 576-5724.

Sincerely,

A handwritten signature in cursive script that reads "Susan M. Cange".
