Re: Our Property #3104 - 151 Maywood Avenue, Maywood, NJ

Dear Mr. Japp:

Reference is made to your notice dated June 1, 1995 concerning the Maywood interim storage site. Please note that this corporation is the management agent for Jeco Corporation which is the owner of the property leased to Sears Roebuck & Co.

Your letter indicated that sampling results in 1994 had indicated that isolated areas containing radioisotopes continue to exist in Lodi Brook sediments near the Sears property. You are requested to advise as to whether these radioisotopes were actually found on the Sears property or on other properties located nearby the Sears property. You are also requested to advise as to what actions are being taken with respect to said radioisotopes.

Very truly yours,

Howard E. Heller
